SALEM, INDIA

DEEMED TO BE UNIVERSITY

(Declared under Section 3 of the UGC Act 1956)

BACHELOR OF BUSINESS ADMINISTRATION (B.B.A) DEGREE PROGRAMME

> UNDER BOARD OF MANAGEMENT CBCS REGULATIONS 2019

#### VINAYAKA MISSION'S RESEARCH FOUNDATION, SALEM, INDIA

#### DEEMED TO BE UNIVERSITY

#### FULL TIME BACHELOR DEGREE PROGRAMME

#### **UNDER BOARD OF MANAGEMENT**

#### **REGULATIONS 2019**

In exercise of the powers conferred by the Revised Memorandum of Association (RM2016) and Revised Bye-Laws (RB2016) of the Vinayaka Mission's Research Foundation Deemed to be University, Salem, the Board of Management of the University hereby issue the following modified regulations pertaining to the undergraduate Programme and the award of the degree of Bachelor of business administration at this University.

#### **1. TITLE AND COMMENCEMENT**

These Regulations shall be called "Regulations for Bachelor of Business Administration – 2019".

These regulations come into force with effect from the Academic year 2019-20 and are subject to such modifications as may be approved by the apex bodies of the University from time to time.

#### 2.1GENERAL CONSIDERATIONS – METHODOLOGY

The tremendous growth in the field of business administration has made changes in every sphere of human activity. It has created opportunities,

challenges and opened new horizon in the pursuit of knowledge, career and accomplishments. Aspirants are crossing oceans in the pursuit of knowledge and for successful career. The globalization and subsequent opening of our economy have provided ample opportunities in the quest of knowledge to the students of our Nation. Hence a need has arisen to provide flexible, need based, versatile and learner oriented Education / Knowledge to our students and make them competitive. If the present rigid academic system and the Institution methodologies are continued to be imposed, the learners may not have the choice of courses of their liking and hence will not meet the requirements to strengthen their knowledge in specific areas needed for their career. In view of the above a move has to be initiated from Institution centric to learner oriented education system.

The Choice Based Credit System (CBCS) provides ample opportunity for multiple entries, large number of electives, flexible pace for earning credits, carryover of such credits, and choice of courses from other branches. Further it has the ability to accommodate diverse choices that the students may like to have. In view of the above advantages it has been decided to implement the CBCS from the academic year 2017-2018 onwards.

#### 2.2. THE OBJECTIVES OF CBCS:

- To help students to assess their 360-degree performance through meaningful educational and employable measures.
- To make transparent assessment and participative lectures
- To involve students in various business administration related activities and give opportunity for them to recognize their strength and eradicate their weakness
- To widen the scope of academic activities to enable students to choose and flourish in their future either through employability or through entrepreneurship

- To make them responsible for keeping track of their progress and give opportunity for them to measure their ability through continuous assessment
- To create an environment where they can share their experience in both on- campus and off-campus to meet out the present and future challenges in Business administration field.

#### Advantages of the choice based credit system:

- Shift in focus from the teacher-centric to student-centric education.
- Student may undertake as many credits as they can cope with (without repeating all courses in a given semester if they fail in one/more courses).
- CBCS allows students to choose inter-disciplinary, intra-disciplinary courses, skill oriented papers (even from other disciplines according to their learning needs, interests and aptitude) and more flexibility for students).
- CBCS makes education broad-based and at par with global standards. One can take credits by combining unique combinations. For example, management with mathematics.
- CBCS offers flexibility for students to study at different times and at different institutions to complete one course (ease mobility of students). Credits earned at one institution can be transferred.

S. No	Redressal Sought	Methodology
1.	Request for revaluation/retota lling/copy of answer scripts.	To apply to CoE within 10 days of declaration of result along with the payment of the prescribed fee.

# **18. CLASSIFICATION OF PERFORMANCE**

Classification of performance of students in the examinations pertaining to the courses in a programme is done on the basis of numerical value of Cumulative Grade Point Average (CGPA). The concept of CGPA is based on Marks, Credits, Grade and Grade points assigned for different range of marks. The following Table shows the relation between the range of marks, Grades and Grade points assigned:

18.1. Semester Grade Point Average (SGPA)

Range of Marks	Letter Grade	Grade Points
90 and above	O (Outstanding)	10
80 and above but below 90	A+(Excellent)	9
70 and above but below 80	A (Very Good)	8
60 and above but below 70	B+(Good)	7
50 and above but below 60	B (Above Average)	6

40 and above but below 50	C (Average)	5
Below 40	RA	0
	AB (Absent)	0

On completion of a semester, each student is assigned a Semester Grade Point Average which is computed as below for all courses registered by the student during that semester.

#### Semester Grade Point Average (SGPA) = $\sum$ (Ci x Gi) / $\sum$ Ci

Where Ci is the credit for a course in that semester and Gi is the Grade Point earned by the student for that course. The SGPA is rounded off to two decimals.

18.2. Cumulative Grade Point Average (CGPA)

The overall performance of a student at any stage of the Degree programme is evaluated by the Cumulative Grade Point Average.

(CGPA) up to that point of time.

Cumulative Grade Point Average (CGPA) =  $\sum_{j} \left\{ \frac{\sum_{i} (c_{ij} * c_{ij})}{\sum_{i} c_{ij}} \right\}$ 

Where 'j' indicates the semester number, 'I' indicates the course number in the semester 'j', C the credit for a course in any semester and G is the grade point earned by the student for that course. The CGPA is rounded off to two decimals.

18.3. Issue of Grade sheets

18.3.1. Separate grade sheet for each semester shall be issued to the candidates by the CoE after the publication of the results.

18.3.2. After the completion of the programme a

consolidated grade sheet shall be issued to the student by the CoE on payment of prescribed fee.
