Industrial Visit Report

An Industrial visit to “Sree Chandra Auto Components Private Limited was organized by the Department of business administration and Department of Commerce of School of Arts and Science, AV Campus on Friday, 1st April 2022. Around 35 B.Com and B.B.A students and three faculties visited Sree Chandra Auto Components Private Limited. To interact with the Manufacturing Industry to understand current market scenarios, latest most demanding technologies & criteria for selection etc. In this visit students were very eagerly waiting for listening to industrial higher authorities.

In the morning at 11.00a.m. we visited to Sree Chandra Auto Components Private Limited. We divided our students into two batches for the visit and the interaction with the industry person. The Engineer from the company conducted very informative session for the students. He explained about the various state-of-the art machinery, factory procedures and policies.

Also he motivated to the students to select their domain and area of interest. He also guided the students to select the areas like quality control, process development & product testing etc. and its importance in the current auto components market. He also guided on CNC technology which is their

working technology. Finally, he gave a brief introduction of Sree Chandra Auto Components Private Limited. and other auto components manufacturing companies of Tamilnadu to the students.

The session was concluded with Question- Answer session. Many of the students asked different questions to the Lead Engineer on current demanding technologies, market scenarios etc.

and he cleared all the doubt and myths which was in students mind about the manufacturing sector.

All students were satisfied after the session. The visit came to an end at 12:30p.m.

Finally, we left the premises at 01.00p.m. It was an educative, interesting and a successful visit. As students of Commerce and Business Administration, they were able to experience a live factory floor and importance of machinery selection, etc. We express our thanks to the Lead Engineer and all team members of Sree Chandra Auto Components Private Limited who spent their valuable time for us. We also thank to our respected Director sir and HOD sirs who motivated us to arrange such an informative industrial visit.
