

## INDUSTRIAL VISIT REPORT

On 08<sup>th</sup> of April 2022, 17 students of First and Third Year B.Sc. Physics along with 3 faculty members of School of Arts and Science, VMRF, AV Campus, Chengalpattu, visited Center for Nano Sciences, Anna University, Chennai. We left our college by 9.30 am and reached there by 11:00 am. We travelled in our college bus.

All the students were actively participated in the visit which was successfully coordinated by Dr. Allen, Dr. Nagaraju and Miss. P. Karthiga (Lab Instructor). Due to some power technical issue they asked requested us for after-noon section. On the mean time we were went to Periyar Science and Technology Centre, No., 6, Gandhi Mandapam Rd, Surya Nagar, Kotturpuram, Chennai, Tamil Nadu 600085. This is very nearby. We walked for 10 mts and reached there by 11.40 am.

In Periyar Science and Technology Centre, we have seen many science innovation things. There after we visited Birla Planetarium. In Birla Planetarium there was an video show which was there for half an hour. We all enjoyed. There after we stated from there and reached center for Nano Sciences, Anna University by 1 pm. The students were separated by year wise.

3ed years were allowed to visit Scanning Electron Microscope (SEM), Dr. Selvaraj were explained about functions of SEM. After that he demonstrated SEM with an insect sample and he shows how it was enlarged & the structures were seen, which was really very interesting. Meanwhile the 1<sup>st</sup> Years were visited the Nano material synthesis lab, Ms. Annie explained about the Uv-interferometer, and Ms. Joypriya explained about.
