Title of the Event :	National level E quiz on Celebration of Shakespeare's 400 th year of First Folio
Date :	23.04.2023
Venue :	Online
No. of Participants :	580

Department of English, School of Arts and Science, AV Campus, VMRF (DU) organized The National Level E-Quiz was conducted online from 23.04.2023 to utilizing a dedicated quiz platform. Participants from across the country were invited to test their knowledge of Shakespearean literature and compete for prizes.

Objectives:

The e-quiz was designed to achieve the following objectives:

- a. Promote awareness: The quiz aimed to increase awareness about the 400th year celebration of Shakespeare's First Folio.
- b. Celebrate Shakespearean literature: It aimed to celebrate Shakespeare's literary contributions and foster appreciation for his works.
- c. Engage a national audience: The e-quiz targeted participants from diverse demographics, ensuring inclusivity and widespread participation.
- d. Educate through interactive learning: The quiz provided an interactive platform for participants to learn and explore Shakespearean themes.

- e. Encourage research and exploration: It motivated participants to conduct research and gain a deeper understanding of Shakespeare's life and works.
- f. Foster a sense of competition: The e-quiz incorporated a competitive element to inspire participants to strive for excellence.
- g. Provide a digital platform: By hosting the quiz online, it ensured accessibility and participation from a wider audience.
- h. Highlight the significance of the First Folio: The quiz emphasized the historical and cultural importance of Shakespeare's First Folio.
- i. Encourage creativity and expression: It offered opportunities for participants to express their creative interpretations of Shakespeare's works.
- j. Promote further engagement and appreciation: The e-quiz aimed to cultivate a lasting interest in Shakespeare's works and legacy.

Participation and Reach:

The e-quiz witnessed an impressive participation rate, attracting 580+ participants from various regions across the country and there were few international entries too.

Quiz Format:

The e-quiz consisted of multiple-choice questions related to Shakespearean literature. It was divided into different rounds, each focusing on specific themes, plays, or aspects of Shakespeare's works.

Participation Certificate:

To motivate participants, those who scored 20% and above received their E-certificate. Additionally, participants who displayed exceptional participation by scoring 100% were recognized and appreciated.

Results and Impact:

The National Level E-Quiz on the Celebration of Shakespeare's 400th Year of First Folio yielded the following outcomes:

- a. Increased awareness: The quiz successfully promoted awareness about the 400th year celebration of Shakespeare's First Folio, reaching a wide audience across the country.
- b. Enhanced knowledge: Participants showcased their in-depth knowledge of Shakespearean literature, demonstrating a strong understanding of his works.
- c. Cultural engagement: The e-quiz encouraged participants to actively engage with Shakespeare's works and explore different aspects of his plays, sonnets, and themes.
- d. Digital participation: Hosting the quiz online facilitated broad participation and eliminated geographical limitations, enabling individuals from all regions to take part.
- e. Fostering creativity: The creative tasks allowed participants to showcase their creativity and interpretation skills.
