It includes the event title, date (21.12.2022), time (09.30 a.m.), and venue (Ideation Work Space-GIEC). Resource persons listed are Dr. Mohamed Adil A.A., Chief Executive Officer of GIEC, and Mr. A. Selvakumar, Manager of GIEC. The event was held in the presence of Dr. T. H. Nazeema, Director of SAS. The program was organized by the Internal Quality Assurance Cell, SAS. An illustration shows a person climbing a staircase towards a banner that reads 'Business Opportunities'.

School of Arts and Science (SAS) of Vinayaka Mission Research Foundation organised an Entrepreneurship Orientation Program for Faculty Members on 21st December 2022 at the Ideation Work Space – GIEC of AV Campus by 09.30 am. The resource person, **Dr. Mohammed Adil A.A.**, Chief Executive Officer, GIEC (Chennai,

Puducherry, Salem) spoke on the significance and scope of Incubation centre and how it can be utilized by both students and faculty. He explained how the institution is ready to invest money for any original idea and also outlined the steps to acquire it. He gave several examples of various ideas brought to form through incubation centres which have been running successfully. **Dr. Nazeema T H, Director, SAS** graced the programme with her presence and

introduced the guests. Following the session there was a Q&A and discussion session where the faculty cleared their doubts. HoDs and faculty from SAS participated in the programme.
