The students of BA ENGLISH and BA TAMIL attended the Bookchor's Book Fair at Vijaya Mahal, T. Nagar, Chennai on 26th September 2022. Over a million books were displayed with over 50k titles. The students explored various books and got to meet the authors. They had an interactive

section with the author, Akshat Gupta on topics like the importance of reading, the importance of

narrating a story, how to write a novel and the facilities given to publishers. It was a learning experience for them. The fair was interesting because of the concept of "LOCK THE BOX". Students were given a specific box for a price in which they can fit as many books as possible and take it home. They had fun choosing the books and got many books of their interest. Overall, it was a literary fun day and a very good experience for them.
