REPORT

Name of the Programme : **IMPLEMENTATION OF UNION BUDEGET-2023-24**
Date : 10.02.2023
Department : Department of Commerce
Total No. of Students : 32

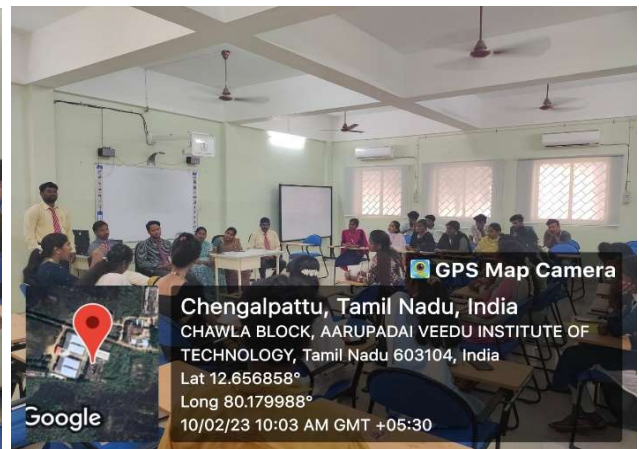

A debate programme on the implementation of the union budget for 2023–2024 was organised on behalf of the Department of Commerce (General & Computer Application). Students gain a lot of fresh knowledge from these references and express their own opinions about the implementation of the union budget and future economic challenges. On February 1st, Nirmala Sitharaman, the minister of finance, delivered the 2023 Union Budget. According to this viewpoint, the four main areas of this year's budget's focus—the empowerment of Vishakarmas (artisans), the promotion of tourism, the advancement of women, and green growth—receive the most support. To plainly illustrate how pleased taxpayers were with the Rs. 7 lakh tax-free income

Union Budget Report

limit, the union budget the importance of digital infrastructure is highlighted in the Union Budget 2023. The goal is to create an ecosystem in addition to the production. The budget integrates digitization into every industry.

3. Inclusive Development for an India with Aspirations
4. Boosting Human Capital
5. R&D and Innovation
6. Minimum and maximum levels of government

Union Budget Report

Feedback from students:

We are grateful to all of our professors for creating such a beneficial debating programme for us because it will enhance our financial literacy and teamwork skills as we implement the union budget. We are finding out that the Union Budget for 2022–2023 places a significant emphasis on expanding healthcare and infrastructure. It also has provisions to support farmers and small enterprises. Additionally, the budget suggests tax benefits for individuals and strategies for encouraging foreign investment.
