Hi Sir / Ma'am,

Thank you for your interest in visiting UST Kochi.We are very happy to host your students at our facility in Brigade Building 10th Floor, Infopark, Kochi.We have planned for the students to visit our facility on **10th of November 2022**. We expect your students to be in our facility by 8.30 AM.**Please note that any delay in the schedule is not encouraged, because a delay of more than 15 minutes from the mentioned time will impact our team member's daily work schedule. Hence request you to plan your travel accordingly.**Please Feel free to contact **Anju on 9567480594 / Angel on 7034177244** if, for any queries or concerns. Please provide the contact number of a faculty member and student POC, who would be a part of the visiting team.**Note:**

- **Cameras, Mobile phones or any electronic media are strictly not permitted inside the facility.**
- Please carry a print out of this confirmation mail.
- Students are advised to carry their college ID cards.
- Please send the students list with email IDs and phone numbers. You can use the attached excel. (Please fill only the columns marked in green.)

- Please carry a print out of the student list and faculty members accompanying in the same format given in the excel.

Agenda of the visit would be a session by one of our senior managers, followed by a tour of our facility.

For more information on UST Global, kindly visit our corporate website, www.ust-global.com. Please encourage your students to visit the website and come prepared for an interactive session

Thanks & Regards,

Anju Peethambaran

Purpose of Industrial Visit:

- To connect students with actual industry professionals.
- To familiarize them with the industrial procedures required for employment in any company.
- To gain an understanding of the industrial working environment and to visualize all of the important departments.
- Interaction of students with personnel from all major departments.
- To prepare students for the choice of a career path in various departments of industry.

The industrial trip was coordinated by a team of UG third year BCA & B.Sc(CS) and Second year M.Sc students of School of Arts and Science and was guided by **Dr. S. Kavitha, HOD** and **Ms. S. Mahalakshmi, Asst. Prof.**

Centre Profile:

UST is a global digital transformation solutions provider. For more than 20 years, UST has worked side by side with the world's best companies to make a real impact through transformation. Powered by technology, inspired by people and led by purpose, UST partners with their clients from design to operation.

Kochi, India – April 16, 2019 – UST, a leading digital transformation solutions company, recently inaugurated its new space in Kochi's World Trade Center building. The two floors in the building will serve as the offshore delivery center for global clients.

The 1000+ seater new office space in the 9th and 10th floors of Brigade World Trade Centre (WTC) in Infopark will host the ODCs (Offshore Delivery Center) for clients primarily in the BFSI (Banking, financial services and insurance) and Retail sectors. World Trade Center Kochi is located in the heart of the booming IT hub of Kakkanad with state-of-the-art infrastructure, Grade A Specifications and LEED Gold Pre- certification.

UST helped wilko, which operates over 400 stores in the UK, create a cloud and business transformation strategy to enable the brand to become a modern omnichannel retailer. The technical strategy includes a platform with new cloud-native technologies, data fabric, and a modern API architecture allowing the retailer to transform its customer experience and drive operational efficiency.

Strength behind the visit:

Mrs. Anju Peethambaram, Technical officer has approved the industrial visit and encouraged the committee for organizing similar kind of activities for the benefit of students. Many experts from the industries and centres have suggested that students of final year UG & PG should visit the industries and centres to experience the actual working environment and the processes. The Director of SAS, **Dr. Nazeema T.H**, also strongly appreciated, encouraged and proposed that an industrial visit for Computer Science students will be helpful to face interviews and in their development.

Observations:

According to the route and time plan, the bus is departed with 45 students and reached the UST International Pvt Ltd., at 9 AM on 10-11-2022. The security officer welcomed the bus and guided for the entry in centre and seminar room.

In the beginning Mr.Rahul, Technical Officer has explained about the UST and their Process. After the discussion with students, they are divided into two batches and they were taken to processing section, testing unit, tool room and developing section.

After visiting the whole department Mr.Raj, Developer, explained about Devops software and what are the Skills needed for the IT industry with details. Finally all the students gathered together and took photo with the Manager of UST.

Feedback from students:

We are thankful for all our faculties for organizing such an Informative visit to the industry for development of our technical skills needed by IT industries.

We hope to have more opportunities in the future to have such informative and enjoyable experiences visiting various industries.
