NSS & RRC REPORT

Title of the Event : **World Blood Donor Day Pledge – 2023**

Date : 14.06.2023

Venue : Bharathiyar Block, AV Campus

No. of Participants : 52

On 14th June 2023, World Blood Donor Day will again be celebrated throughout the world. Officially designated as an annual event by the World Health Assembly in 2005, the Day provides a special opportunity to celebrate and thank voluntary blood donors around the world for their gift of blood and has become a major focus for action towards achieving universal access to safe blood transfusion.

Every single donation is a precious lifesaving gift and repeat donation is the key to building a safe and sustainable blood supply.

The slogan for 2023 World Blood Donor Day campaign is **“Give blood, give plasma, share life, share often.”** It focuses on patients requiring life-long transfusion support and underlines the role every single person can play, by giving the valuable gift of blood or plasma. It also highlights the importance of giving blood or plasma

regularly to create a safe and sustainable supply of blood and blood products that can be always available, all over the world, so that all patients in need can receive timely treatment.

This event was organized by the members of National Service Scheme unit of the institution. This event will not only carry the message of **“Blood Donate”** but also celebrate and thank individuals who donate blood and encourage more people to become new donors. Encourage people in good health to donate blood regularly, as often as is safe

and possible, to transform the quality of life for transfusion dependent patients and help to build a secure blood supply in all countries in the world;

Pledge Ceremony

The throng of activities started with a pledge or oath taking ceremony that embarked the spirit of unity among the fellow students. The following pledge had been taken by the students:

❖ *“I take a pledge to donate my blood regularly.”*

- ❖ *Keeping in view the huge need of blood in India, I also undertake to create awareness amongst my family members, friends, relatives, colleagues and public about the need for regular, voluntary unpaid blood donation.*
- ❖ *Along with this, I also undertake that whenever someone is in need of blood. I shall donate blood at my own expense without any greed, free from caste religion discrimination.*
- ❖ *I will make relentless efforts so that no life is lost around us due to shortage of blood.*
