REPORT ON GUESTLECTURE

Title of the Event	:	TECH-SAVIES Association Inauguration and GUEST LECTURE on Software Testing Tool-Selenium
Date	:	14.09.2023
Venue	:	Indoor Auditorium, AV Campus
No. of Participants	:	101

The poster features the SAS logo at the top, followed by the text 'Cordially invites you all for the Inauguration of TECH-SAVIES Association & Guest Lecture on Software Testing Tool - Selenium'. It includes the date '14th Sep 2023', time '10:00 a.m.', and venue 'Indoor Auditorium'. A portrait of Mr. M. Somasundar is shown, with his title 'Resource Person' and 'Vice President, Pyroferus Technologies'. Logos for 'INNOVATIVE' and 'TECH-SAVIES' are also present. At the bottom, it states 'Organized by : Department of Computer Science'.

School of Arts and Science, and Department of computer science inaugurated TECH-SAVIES Association and organized GUEST LECTURE on Software Testing Tool-Selenium September 14, 2023 in Indoor Auditorium, AV Campus. The Program started as the dignitaries on the dias, lit the knowledge lamp at 10.00 a.m. with the welcome address by the **Dr. A. Vijayakumar, HOD/Computer science, School of Arts and Science.**

The notable chief guest and speaker was **Mr. M. Somasundar Vice president, Pyroferus Technologies, Chennai** and the presidential address by **Dr. I. Ameeth Basha, HOD/Chemistry, School of Arts and Science**. The focus was on future aspects in IT and the use of software testing tool Selenium in software engineering. Opening remarks and introduction of the programme was given by a shrewd technocrat, **Mr. M. Somasundar from**

Pyroferus Technologies, Chennai. He highlighted the applications of Testing in the field of Software engineering. He mentioned the dramatic raise of Software engineering in recent years and the attractive job openings in this sector. He emphasized the need of Testing Process Automation to address the real problems. His tech talk initiated a link/connect to Industries of interest to the students of Vinayaka Mission's Research

Foundation (DU).

The programme was wrapped up around 12:30 PM. The vote of thanks which was given by Mr. Sivabalan, Student secretary, Department of computer science, School of Arts and Science, VMRF.

OUTCOME OF THE GUEST LECTURE:

The chief guest talked about the impact of Testing with short video clips he made easy to understand the working methodology of Automated Testing tool Selenium. The Tech savy narrated the makeover of a Testing environment with the design and testing of Testing functionalities. He also demonstrated the various components of Testing fundamentals and framework and their use in Testing process Automation.

An overwhelming response has been received for Guest Lecture from various students. The participants have given very good feedback for the flawless conduct and certificate issued.
