To celebrate World Environment Day 2022, the Environmental students club organised “Tree Plantation Drive” at School of Arts and Science, Paiyanoor on 6th June 2022. Environmental students club conducted this Activity under the able leadership of

Prof. Dr. K. Manivannan, Director, School of Arts and Science, AV Campus, Paiyanoor. The aim of tree plantation is to contribute to the green cover of our country, and preserve our bio-diversity which plays vital role in preserving our environment and life on

earth. During this activity, The Director along with Faculty members and Students of SAS are planted tree saplings & encourage others to plant trees.

On this occasion, Vice-Chancellor mentioned that the theme of World Environment Day 2022 is to “Only One Earth”. Vice-Chancellor added that we all should devote some time from our daily schedule towards nature, and put efforts to preserve our Bio-diversity reserves. To keep our environment clean, the VC urged everyone to adopt a tree at their society, stop using plastic bags, & reduce overconsumption of natural resources. As a part of

the activity, Environmental Students club, students to join this initiative from their homes by planting a tree, watering and maintaining the plants in their premises.
