The college sports committee arranges many sports activities to provide students the chance to demonstrate their prowess in the field of sports. The sports committee also promotes student involvement in both intra-college and inter-college sports competitions. The College offers comprehensive facilities for students to engage in a wide range of indoor and outdoor Sports and Games

activities. Sports are crucial for maintaining physical fitness and strength in human life. It holds significant significance in every phase of life. Additionally, it enhances individuals' personalities. Engaging in sports enhances the alertness of all our organs and promotes cardiovascular strength through frequent participation.

Objectives: -

1. To cultivate an appreciation for the significance of sports in fostering a healthy and active lifestyle both during one's time at the College and in the future.
2. To offer pupils the chance to thrive in sports and ensure that each student can fully develop their athletic abilities.

3. Our goal is to offer top-tier sporting facilities and cutting-edge training programmes to both athletes and students.
4. The objective is to achieve triumph in every sporting discipline at both the national and international levels.

The sporting committee has vigorously encouraged student involvement in a diverse array of athletic competitions, encompassing both intra-collegiate and intercollegiate levels. On January 30th, 2024, students from the AV Campus of the School of Arts and Science in Paiyanoor participated in a women's Throw Ball event. The event occurred at

the prestigious VIT - Chennai. A group of about 12 students enthusiastically participated in various events and secured an impressive fourth position in the Throw Ball (Women) category at the VIBSPORT'24 All India Inter Collegiate Sports Fest.
