5.0 PROBATION, PLACEMENT AND SENIORITY

5.1 Probation

- i) The appointment to any post in the university is temporary for a period of one year. After assessing the performance during the year and if found to be satisfactory, the services will be continued for another year. At the end of the second year, he/ she will be considered for regular appointment, (as an approved probationer) only if the services are found to be satisfactory throughout the period of two years.
- ii) In case, the performance of a staff member is not satisfactory during the probationary period, the probation of the staff member may be extended or the services terminated. The decision shall be taken on 'case by case' basis, on merit.
- iii) The rule of probation shall not apply to appointments made on temporary or contract or on daily wage basis.

5.2 Placement of staff

- i) A staff member selected for appointment is ordinarily attached to the Department to which he/she was selected.
- ii) However the Management/competent authority has the right to redeploy the staff member in any other Department/institution/campus in the interest of the University and depending upon the need and exigency.

5.3 Seniority

While fixing seniority of staff members in each category of post, the following rules shall be adopted.

- i) If two or more persons are selected for appointment at the same time to a particular category of post, the selection committee shall fix the order of seniority among them according to the merit of the candidate selected and in the absence of such merit list the seniority shall be fixed as per the date (and time) of joining of the staff member for duty in the University.
- ii) In the case of a staff member recruited in the middle or senior cadre, the inter-seseniority shall be fixed as junior to junior most staff member in the respective category of post.
- iii) For individuals recruited on contract appointment or on temporary basis for short duration, no seniority shall be fixed.
- iv) In the case of staff member recruited on consolidated wages and subsequently absorbed in the regular scale of pay, the seniority shall be fixed only from the date of his/her permanent appointment to the post.
- v) Notwithstanding the above mentioned policy of seniority, the Management /the competent authority shall promote a junior to the next cadre, based on his/her performance and merit.

DUTIES & RESPONSIBILITIES AND CODE OF CONDUCT OF TEACHING FACULTY

1.0 PURPOSE AND SCOPE

As faculty members of Vinayaka Mission's Research Foundation (Deemed to be University), they are responsible for contribution and sustenance of the standards of the institution. They should comply with the relevant policies, rules, regulations, norms and standards set to guide their work. While every individual member is accountable for his/her action, as member of the University community, they are collectively accountable for upholding those standards of behaviour and for compliance with all applicable rules, regulations and code of conduct.

This document details the rules and regulations that every faculty member should follow and the code of conduct they should adopt in the discharge of their professional duties. These rules and regulations are not exhaustive and hence, the detailed instructions issued from time to time and the modifications made in these due to necessities have to be adopted by the faculty members.

2.0 APPLICABILITY AND INFRINGEMENTS

These rules and regulations and code of conduct prescribed applies to all full time faculty members, visiting faculty members, faculty members on contract/part- time employment, research scholars given teaching assignment attached to all schools/departments of University.

Adherence to these rules and regulations and code of conduct makes the faculty members responsible for bringing suspected infringement of any of the provisions to the attention of appropriate authority of the University. Raising such concern is a service to the University and will not jeopardize one's position or employment. Confirmed violations will result in suitable disciplinary action upto and including termination from employment or other relationships with the University. If need be, legal recourse may also be resorted against the concerned individuals.

3.0 CURRICULAR RELATED

- a) Teaching and Learning
- A faculty is responsible for,
- i) Teaching of both core and elective courses in the field of his/her specialization as allocated by the Head of the Department for various programmes offered by the University.
- iii) Conducting laboratory courses, tutorials and seminars of the programmes assigned to him/her in an effective manner, so as to improve the practical knowledge of the student.
- iv) Providing proper guidance and supervision of the project work undertaken by students and development of proper rapport with the industry/organization if the project is industry related one.
- v) Making the teaching more effective and interesting to the students by the use of multimedia teaching aids.
- vi) Making the laboratory and seminar classes more purposeful by examining the students orally either before or after the experiment/seminar to improve the student's understanding of the subject.
- vii) Conducting the core / elective course as project based / experimental / activity based learning.
- viii) Helping peer-assisted learning.
- ix) On the whole, the teaching learning shall be learner centered ensuring learning outcome of different courses.

b) Course Planning and Material Preparation

- i) The faculty member is required to plan and make complete preparation well in advance to effectively teach the theory and practical courses.
- ii) He/she should prepare the schedule of lectures with topics, tests, assignments, demonstrations, screening of video or power point presentation etc., in advance and the students should be informed of the same.
- iii) The faculty member has to design experiments for laboratory classes so as to improve the student's creative skills besides properly understanding the physical phenomena or concept.

c) Examination, evaluation and grading

- i) A faculty is required to set standard question papers to test the knowledge / analytical thinking of students and evaluate the answer scripts of courses not only taught by him/her, but also that assigned to him/her by the Dean/Head of Department/Controller of Examinations of the University.
- ii) A faculty is required to conduct and invigilate any exam/test in the university. Such test/exam may be for the course taught by him/her or for any other course assigned by the Head of Department/Controller of Examinations of the University.
- iii) A faculty member while evaluating answer scripts, oral examination/project work evaluation, should scrupulously be objective in his/her approach so that the student can earn the marks/grading for his/her performance only. Besides, he/she should indicate the mistakes on the script except for end semester examination, where no marking is permitted to be made on the script.

d) Maintenance of Records

- i) Each faculty member is required to maintain the record of class work, attendance and continuous assessment neatly, properly and in time. This should be produced to the Head of the Department (HOD) as and when called for or immediately after the test for scrutiny and should be handed over to the HOD after the academic audit.
- ii) Each faculty member is required to keep a file containing question papers set by him/her for the course handled, copy of answer sheets of the students after evaluation, for production to the academic audit.
- iii) If the faculty member is assigned to be the Class Adviser by the HOD, he/she should maintain the list of students under him / her, their parent/local guardian contact address/phone/mail ID etc., so that the student's progress could be monitored and communicated to them. The Class Adviser shall also maintain cumulative record of attendance for the courses undergone by the student course-wise. The Class Adviser should also help the HOD in counselling poorly performing students and the follow up action taken to improve the students' performance.

e) Monitoring of students' progress

i) The faculty of any course is required to watch the attendance and academic performance of each student of his/her course and take necessary steps at his/her command to improve the student's progress. If his/her effort fails, the faculty member should bring it to the notice of the HOD and the Class Adviser so that the information can be sent to the parents/guardians.

- ii) A faculty member is required to attend/organize the Class Committee Meeting either as a course teacher and/or as chairperson of the class committee and should actively participate in the deliberations there to improve the teaching-learning process.
- iii) A faculty member may be required to be a Faculty Adviser to a group of students. He/she is then really a mentor for the students in his/her group. He/she has to keep account of the courses registered/enrolled by them and advice and counsel the students.
- iv) A faculty member has to be thorough with the regulations of the academic programme offered by his/her Department and other instructions issued from time to time so that he/she can effectively guide the student.
- v) As a Faculty Adviser, the faculty member is required to motivate students under his/her care and also help them while they face any other general problems till they leave the University.

f) Participation in Academic Developments

- i) A faculty member should actively participate in curriculum preparation for new programmes/modification of existing programmes.
- ii) Contribution to the preparation of new syllabus or updation of existing syllabus is also the responsibility of a faculty member pertaining to his/her specialization.
- iii) A faculty is expected to be creative so as to contribute to the introduction of new academic programmes in the emerging areas relevant to the society, innovative curriculum and new methodology of teaching and evaluation.
- iv) In order to be an effective faculty, he/she is required to update his/her knowledge by attending faculty development programmes, short-term courses, professional society meetings, National / International Conferences, reading recent technical journal articles and periodicals and going through the web sites of world class Universities. They may also enroll in one or more Professional Societies/Associations.

g) Punctuality and regularity

- i) The faculty member shall not permit any student to attend the class after the stipulated time specified by the University so as to ensure punctuality in attending class by the students.
- ii) A faculty member is required to make alternative arrangement to handle his/her scheduled course work and other works whenever he/she goes on leave.
- iii) As far as possible a faculty member should not miss the scheduled class and only under unavoidable circumstances alternative arrangement can be made. This will ensure better compliance of scheduled classes.
- iv) A faculty member shall be punctual in attending class and leave the class room after his/her class is over only after the arrival of the faculty for the next period or instruct the students to go to the laboratory/workshop for practical classes, as the case may be.
- v) The faculty member shall carry out any other academic related activity that may be assigned to him by the HOD/Higher Authorities from time to time.

4.0 RESEARCH AND DEVELOPMENT

a) Academic research

- i) As research is an inherent component of the functions of a University, every faculty member shall take active efforts to make research contributions in his/her field of specialization.
- ii) A faculty member should identify specific aspects relating to his/her area of specialization in which there is considerable scope for further working, so that he/she either do it by himself/herself or motivate undergraduate and postgraduate scholars or a junior colleague to take up the study under his/her supervision.
- iii) Faculty members who act as Research Supervisors should spare adequate time to the research scholars for discussion and monitor their progress, so that not only the quality of work is improved but also time over-run can be avoided.
- iv) As the scope for doing further research work from the undergraduate and postgraduate students' project work is ample, active involvement of the faculty member in the student's project work is very essential.
- v) If the student's project work is industry related, the faculty member shall visit the industry to know the problem in its perspective so that he/she can guide effectively. In fact, this will help to develop contact with the industry.
- vi) Interdisciplinary and collaborative research is assuming enormous proportions a faculty should take efforts to identify such area(s) by interaction with his/her colleagues in other departments or researchers in established R&D laboratories for collaborative research purposes.
- vii) Faculty members can act as research supervisor for other Universities only with the prior permission of the University. External research supervision will be permitted, only under special circumstances.

b) Research publications and books

- i) As research publications in refereed journals of international importance not only improve the individual's image but also of the institution, every faculty member should strive to bring out such quality publications.
- ii) Faculty members should publish their research output only in SCI or SSCI journals and publications in non-refereed journals will not be recognized.
- iii) Faculty members shall also strive to file patents if their research output is felt new and novel.
- iv) Depending upon the research content, the faculty member may also present papers in International/National level conferences, but the impact they command compared to publications in refereed journals is considered much less.
- v) Faculty member should also take efforts to bring out his/her research work other than refereed journal papers, in the form of books or chapters in the books published by the international/National level publishers with ISBN/ISSN numbers.
- vi) The faculty members will be provided financial incentives for publications in refereed journals taking into account the impact factor, total citations, immediacy index, half-life, etc.

c) Sponsored and funded research projects

- i) An important source of financing and professional recognition to the University is sponsored and funded research projects. Therefore, every faculty member should browse the web sites of various funding agencies, advertisement, etc., periodically and submit research proposals in the proper format to those agencies to secure funding assistance for research and acquiring facilities such as equipment, instruments, etc.
- ii) The faculty member, who is a Principal Investigator, besides employing Project Associates, if the project proposal contemplates and the funding agency approves, can also use the services of students and research scholars, wherever possible.
- iii) Many funding agencies provide funding assistance for establishment of centres of excellence. A faculty member may also examine and send proposal pertaining to his/her department or interdisciplinary ones for establishment of such centres.
- iv) Students should also be encouraged by faculty members to submit proposals for securing funding assistance for student projects from Science and Technology Councils of the State and Centre and other agencies.
- v) The effort of the faculty member must be to convert his/her creative idea into a product either physical, conceptual or a computer software. In order to get recognition not only for the faculty, but also, for the institution, he/she should take efforts to obtain Patent/Intellectual Property Right (IPR) so that nobody could copy them.
- vi) Cash incentives, as may be decided by the Management, will be given to those faculty members for funded research/projects secured, research papers and books published and patents obtained.

5.0. CONSULTANCY AND EXTENSION ACTIVITIES

a) Consultancy projects

- i) Executing consultancy works for the state and private organizations is another important source of financial resource to the University.
- ii) A faculty member should take efforts to secure consultancy works in his/her area of specialization from industries and business or from State agencies.
- iii) To secure consultancy work, the individual's capability in solving practical problem in his/her area of specialization besides development of good rapport is very essential. Guiding industry oriented student projects is an easy way of establishing contacts with the industry counterparts. Hence, faculty member guiding such project works should establish proper, healthy and positive rapport with the concerned industry from where such project work is undertaken.
- iv) A faculty member should constantly update his/her knowledge, familiarize himself/herself with the problem of industry by going through industry publications, attending professional society meetings etc., to establish contact and get to know the problem of industry.
- v) Attending seminars and conferences organized by professional institutions such as Confederation of Indian Industry (CII), Federation of Indian Chamber of Commerce & Industry (FICCI), The Institution of Engineers (IEI), Institute of Electrical and Electronics Engineers (IEEE) or other Industrial Associations will also help to understand the problem of industry.

b) Extension activities

- A faculty member should take efforts to organize refresher courses, seminars, workshops not only for the benefit of faculty members but also for participants of industry and society at large. Such programmes could be self supporting or sponsored ones.
- ii) Conduct of continuing education programmes/structured courses to meet specific requirement of the industry and society is yet another way of augmenting resource for the University. A faculty member can organize such programmes either one time or on continual basis year on year.
- Extension activities could include various community oriented services, preferably using the expertise in the field of science and technology, and addressing the requirements of weaker sections of the society.

6.0 INVOLVEMENT IN DEVELOPMENT ACTIVITIES

a) Laboratory Development & Maintenance

- i) A faculty member is required to involve in the laboratory development activities of the Department by introducing innovative experimental setups/instruments/computer software/computer control of machines or processes.
- ii) Whenever new courses or new topics are proposed in the curriculum and syllabi in the emerging areas, the faculty member can design and fabricate or assemble new experimental setup for use by students.
- iii) As a member of the faculty, he/she should ensure that the various machinery and equipment in the laboratory and workshop are maintained in working condition and are used effectively both for academic requirement, project works and research related activities.
- iv) In case, a faculty member is assigned to be in charge of laboratory or workshop, he/she has to oversee the work of technical staff of the laboratory, besides arranging for periodical maintenance/repair and recalibration wherever necessary.
- v) As one in charge of laboratory, he/she has to ensure proper maintenance of stock registers, both consumable and non-consumable, periodical stock verifications, and proposal for replacement of over aged/unserviceable equipment, besides their safe custody.

b) Purchase of items for the laboratory

- i) As one in charge of laboratory has to prepare budget every year after taking into account the academic course requirements, research needs and discuss with the HOD and finalise it before inclusion in the overall budget proposal of the Department.
- ii) As one in charge of laboratory has to initiate proposals for the purchase of consumables and equipment for his/her laboratory and take follow up action till it is procured and taken into stock.
- iii) The faculty member should help the Professor in charge of purchase or the HOD in finalizing the specifications of equipment to be purchased calling the quotations and evaluation and tabulation of bids to be placed before the Purchase Committee.
- iv) Once the budget proposals are approved by the management, the faculty in charge of the laboratory/workshop is responsible for the compliance of the budget proposal, unless it is altered or revised. If necessary, he/she has to prepare revised budget proposal through the HOD.
- v) The faculty member shall follow the detailed guidelines/procedure issued by the University with regard to purchase of consumable and non-consumable items both indigenous as well as imported items.

c) Co-Curricular activities

- i) A faculty member is required to arrange guest lectures, seminars etc., to supplement regular lectures and also help in the conduct of faculty development programmes, short-term programmes, workshops, open houses, exhibitions organized by the Department or University.
- ii) A faculty member is required to organize industrial visits, educational tours and accompany the students to visits/tours as and when required by the HOD.
- iii) A faculty member if nominated as an Office-bearer such as Treasurer, Adviser of Professional Society functioning in the Department/University he/she shall perform such duties accordingly.
- iv) A faculty member is required to help the Professional Societies in organizing annual events such as symposium, technical contest, quiz, and also in the interaction with the parent bodies (e.g. ASME, IEEE, IMA, IPA, IPGA, IACP, IDA etc.) to promote the student chapter of the professional bodies.
- v) A faculty member is required to coordinate National / International conferences / seminars / symposium / workshop.
- vi) A faculty member should submit project proposals to the funding agencies for financial assistance to conduct seminars, conferences, etc.

c) Extra-curricular activities (Co-administrative Activities)

- i) A faculty member should see that the class rooms, department buildings, laboratories and surroundings are kept neat and tidy with the help of personnel assigned for this purpose.
- ii) A faculty member should ensure that lights and fans are switched off after the class is over, and if there is no lecture class for the students in the next period to save energy consumption.
- iii) As discipline in the campus is very essential, every faculty member should interfere if they notice indulgence by students in activities of condemnable nature.
- iv) A faculty member if required to help the HOD in all administrative matters like distribution of hall tickets, mark sheets etc., and compilation of departmental replies to higher authorities etc.
- v) The faculty member has to serve as a member of any enquiry committee or as a member of various committees whenever the Department/University organizes major events such as Sports Day, Annual Day, Technical and Cultural Festivals, etc.
- vi) Faculty members are liable to be assigned the responsibility of Residential Tutor/Deputy Warden of the hostels run for the benefit of students for a specific period of time and for this service they shall be given perquisites in addition to their salary.
- vii) All faculty members are expected to oversee the students go to the class on time and not loitering in the campus.
- viii) Faculty members should also take part in activities related to NCC, NSC, NSO, Red Cross Society, Alumni Association, etc., as office bearer/organizer and shall discharge the duties assigned to the position.
- ix) Any other activity(s) related to Department or Institutional Development that may be assigned to the faculty member depending on the need.

7.0 WORKLOAD NORMS

a) Working hours

- i) All full-time faculty members should perform a minimum of 40 hours of work per week for the University on a 5 day week basis. The University has the right to fix the working hours and days depending upon the exigency.
- ii) The 40 hours is only the minimum, but a faculty member is expected to devote more time in connection with execution of sponsored and funded projects, consultancy work, continuing education, summer courses, etc.,
- iii) The minimum working hours may vary in the case of part-time and visiting faculty depending upon their condition of employment.

b) Teaching-contact workload

Of the minimum workload of 40 hours per week, the teaching-contact hours for different categories of faculty members are as follows:

Lecturers - 22 hours/week
Assistant Professors - 20 hours/week
Associate Professors - 16 hours/week
Professors - 14 hours/week
Deans/HODs/Directors - 10 hours/week

The above mentioned is only minimum contact hours be assigned by the HOD. However, the faculty member is expected to devote his/her time for research, lesson preparation, valuation of test/assignment etc. He/she shall be present in the department during the working hours of the institution, unless, otherwise he/she goes on other official duties with prior permission from the concerned authority.

A faculty member shall follow detailed instructions issued in this regard from time to time by the Management.

8.0 CODE OF CONDUCT

a) Faculty Member and Student

The faculty member plays a pivotal role not only in attaining the general aims of education, but also in the realization of the mission, goals and objectives of the University in which he/she is a member. He/she has to make all efforts for the physical, mental and intellectual development of students. In particular a faculty member shall strive to achieve,

- i) to accord just and unprejudiced treatment to all students irrespective of religion, caste, creed, sex, economic and social status.
- ii) to make regular contribution for the personal development of students, while looking after their interest and welfare.
- to be a role model for inculcating the virtues of self-reliance, national consciousness and democratic values among students.

- iv) not to disclose confidential information about students to anyone except to authorized persons/agency or in the interest of law.
- v) To be fair and to assess the students impartially and only or merit/performance.
- vi) to have respect for and an affectionate and friendly attitude towards all students and help them to improve their behaviour unmindful of some untoward events if occurred, rather than having feeling of revenge.
